The history of absinthe dates back to the 18th century. It was originally used as a medicinal elixir, but it quickly became popular as a recreational beverage. Absinthe was particularly popular in France, where it was known as the "Green Fairy." However, absinthe was banned in many countries in the early 20th century due to concerns about its alleged psychoactive effects.

In recent years, there has been a resurgence of interest in absinthe. This is due in part to the fact that absinthe has been legalized in many countries. Winter Renshaw is one of the many new absinthes that have been released in recent years. It is a high-quality absinthe that is made with traditional methods.

Tasting Notes

Winter Renshaw has a complex and flavorful aroma. The nose is dominated by notes of anise, fennel, and wormwood. There are also hints of citrus, mint, and spice. The palate is similar to the nose, with strong flavors of anise, fennel, and wormwood. The finish is long and complex, with lingering notes of anise, fennel, and wormwood.

How to Drink Absinthe Winter Renshaw

Absinthe Winter Renshaw can be enjoyed in a variety of ways. It can be drunk neat, on the rocks, or with water. It can also be used in cocktails. One of the most popular ways to drink absinthe is with a sugar cube and water. To make an absinthe drip, place a sugar cube on a slotted spoon and hold it over a glass of absinthe. Slowly pour water over the sugar cube, allowing the absinthe to drip into the glass. The sugar cube will dissolve and sweeten the absinthe.

Where to Buy Absinthe Winter Renshaw

Absinthe Winter Renshaw is available for purchase online and at select liquor stores. It typically retails for around \$50 per bottle.
