

Mallet Percussion: The Competition Collection - An In-Depth Review

Mallet Percussion: The Competition Collection is a comprehensive collection of mallet percussion pieces from some of the world's leading composers. The collection includes pieces for solo marimba, vibraphone, and xylophone, as well as duets and trios for multiple mallet instruments. The pieces are graded from easy to difficult, making them suitable for players of all levels.

The collection is divided into three sections: Solos, Duets, and Trios. The solos section includes pieces from a variety of composers, including Keiko Abe, David Friedman, and Steve Reich. The duets section includes pieces from composers such as Gordon Stout, Michael Burritt, and Ney Rosauero. The trios section includes pieces from composers such as Emmanuel Séjourné, Leigh Howard Stevens, and John Psathas.

The pieces in Mallet Percussion: The Competition Collection are all well-written and musically interesting. They provide a great opportunity for players to develop their technical skills and musical expression. The collection is also a valuable resource for teachers, as it provides a variety of pieces that can be used in the classroom.
