Wonder Woman has undergone many changes over the years. Her costume has changed, her personality has changed, and her powers have

changed. However, one thing that has remained constant is her commitment to fighting for justice and peace. Wonder Woman is a role model for people all over the world, and she continues to inspire people to be their best selves.

Wonder Woman 1942

The original Wonder Woman was created during World War II. Marston and Peter wanted to create a superhero who would be a symbol of peace and hope. Wonder Woman was a strong and independent woman, and she quickly became a popular role model for women and girls.

The original Wonder Woman was very different from the Wonder Woman that we know today. She was more of a pacifist, and she was not as willing to use violence to solve problems. However, she was still a powerful superhero, and she always fought for what she believed in.

Wonder Woman 1986

In 1986, DC Comics rebooted the Wonder Woman franchise. The new Wonder Woman was created by George Perez and Len Wein. This Wonder Woman was more aggressive and violent than the original Wonder Woman. She was also more willing to use her powers to solve problems.

The 1986 Wonder Woman was a controversial figure. Some fans loved her, while others hated her. However, there is no doubt that she was a powerful and influential superhero.

Wonder Woman 1986

Wonder Woman 222 Bourne

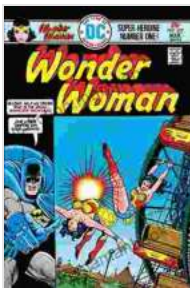

In 2016, DC Comics rebooted the Wonder Woman franchise again. The new Wonder Woman was created by Greg Rucka and Liam Sharp. This Wonder Woman is a more modern interpretation of the character. She is strong, independent, and compassionate.

The 2016 New 52 Wonder Woman is a popular character. She is a role model for women and girls, and she is an inspiration to people all over the world.
